

## RSA LOGISTICS WINS THE INDIAN INNOVATOR AWARD

**2015 Dubai:** Mr Abhishek Ajay Shah, Co-Founder and Managing Director of RSA Logistics was recently recognised as an 'Innovator in Logistics Innovation' for this year's Indian Innovator Awards. The awards were presented by the Indian Consul general Mr Anurag Bhushan.

RSA Logistics, a leading Dubai-based third party logistics (3PL) company was in the spotlight at the awards held at Jumeirah Golf Estates, Dubai on 7th December 2015.

The Indian Innovator Award is organized by BNC Publishing, part of the Entrepreneur MENA franchise. The award recognises leaders across different industries who have contributed to their sectors and have also created a benchmark for others. The event witnessed the likes of Indian entrepreneurs and established businessmen who have set a trend in the region for the next generation.

Mr Abhishek Ajay Shah said: "Innovation is something that we believe has distinguished our organisation from our competitors, it is great to see that our bold steps to shake up such a traditional industry are being recognised. This gives us great pride and will be very rewarding for the team to push the boundary further."

RSA Logistics services clients across various verticals including Automotive & Aviation, food & beverages, Chemicals & Petrochemicals, Oil & Gas service companies, power generators and finished Vehicle logistics. RSA Logistics is a multi-award winning third-party logistics provider based in Dubai, with global alliances that help extend its reach to every corner of the world. The company offers storage and 360-degree supply chain solutions, including distribution, transportation, and international freight. RSA's clients hail from a diverse portfolio of industries that include automotive, power generation, petrochemicals & chemicals and food & beverage. RSA further deploys its expertise by offering on-site logistics to companies that operate their own warehouses – bringing sophisticated and tailor-made solutions to the client's doorstep.

The company's headquarters are strategically located between Jebel Ali Port and Al Maktoum International Airport in Dubai South, providing the ideal infrastructure for its transportation, distribution and international freight service offerings. RSA's innovative solutions and high-tech value-added services ensure a personalized services like no other for its customers.

In a bid to create a highly specialized service hub in the Middle East for the storage of dangerous goods, RSA partnered with German chemical logistics experts in 2013 and created RSA-TALKE. RSA has also started operations in Kenya and India to further its global presence.
