

## RSA Logistics wins 3PL Service Provider of the Year at SCATA

Dubai - April 28<sup>th</sup> 2016— [RSA Logistics](#), a leading Dubai-based third party logistics (3PL) company, was awarded **3PL Service Provider of the Year** at the tenth annual Supply Chain and Transport Awards (SCATA) held at the Intercontinental, Dubai Festival City.

SCATA is ITP Publishing's annual platform for recognizing and celebrating the supply chain industry in the Middle East. It brings together the region's foremost players in the logistics, sea freight and air cargo sectors.

[RSA Logistics](#) was selected by a panel of judges on the basis of its performance as an end-to-end service provider. SCATA confers the **3PL Service Provider of the Year** award on businesses that have led the way in regional investment and innovative solutions for storage, distribution, and value-added services, showing consistent performance in the past year.

Accepting the award, Mr. Wallery D'Costa, General Manager International Freight Services, said: "It's a proud moment for all of us at RSA Logistics. We have earned this recognition through our team's commitment to implementing timely solutions for our valued customers, and by improving process and delivering initial and ongoing value that makes ours and our partners' success possible. It is also a testament of our capabilities in supply chain management and reaffirms our commitment to providing our customers with a personal and innovative service."

### NOTES TO THE EDITORS:

#### **About RSA Logistics:**

RSA Logistics is a multi-award winning third-party logistics provider based in Dubai, with global alliances that help extend its reach to every corner of the world. The company offers storage and 360-degree supply chain solutions, including distribution, transportation, and international freight. RSA's clients hail from a diverse portfolio of industries that include automotive, power generation, petrochemicals & chemicals and food & beverage. RSA further deploys its expertise by offering on-site logistics to companies that operate their own warehouses – bringing sophisticated and tailor-made people, process and technology solutions to the client's doorstep.

The company's headquarters are strategically located between Jebel Ali Port and Al Maktoum International Airport in Dubai South, providing the ideal infrastructure for its transportation, distribution and international freight service offerings. RSA's innovative solutions and high-tech value-added services ensure a personalized services like no other for its customers.

In a bid to create a highly specialized service hub in the Middle East for the storage of dangerous goods, RSA partnered with German chemical logistics experts in 2013 and created RSA-TALKE. RSA has also started operations in Kenya and India to further its global presence.

RSA was awarded the Excellence in Trade award by Stars of Business 2015, and was ranked No. 9 in the Dubai SME 100 List 2015. For more information, please visit the RSA website at: [www.rsalogistics.com](http://www.rsalogistics.com)
